

Figure 1 is a grid diagram showing the distribution of 49 numbered points across five vertical columns labeled 0系, 1系, 2系, 3系, and 4系. The points are numbered 1 to 49, with some numbers appearing in multiple locations. The grid is divided into five vertical sections by blue lines. The columns are labeled 0系, 1系, 2系, 3系, and 4系 at the bottom. The points are numbered 1 to 49, with some numbers appearing in multiple locations. The grid is divided into five vertical sections by blue lines.
