

**素里：**素里加拿大日慶祝已經成為卑詩省最大型的戶外活動之一，詳情可瀏覽 [www.surrey.ca](http://www.surrey.ca)。

## A large, hollowed-out tree trunk is being used as a shelter. Three people are visible inside the hollowed-out section. A ladder is leaning against the tree on the right, and another ladder is leaning against the tree on the left. The tree is surrounded by green foliage.

大溫地區的睦鄰之家同屬於睦鄰之家協會（Association of Neighbourhood Houses）組織，各地睦鄰之家主要提供新移民包括懷孕前健康課程、青少年輔導課、法律問題諮詢及 ESL 課程等。

**《為加國禱告月》禱文，可於中信中心索取（本拿比麗晶廣場二樓）**

## 大溫地區天氣預測

| 今天                                                                                    | 7/2(三)                                                                                | 7/3(四)                                                                                | 7/4(五)                                                                                | 7/5(六)                                                                                |

| 晴間陰 15-25°C                                                                           | 晴間陰 15-24°C                                                                           | 陰間雨 17-22°C                                                                           | 陰間雨 15-21°C                                                                           | 密雲 15-17°C                                                                            |

  

## 世界部分城市天氣預測

| 溫度(°C)    | 概況  | 溫度(°C)    | 概況  |
|-----------|-----|-----------|-----|
| 卡加利 11-23 | 晴間陰 | 香港 26-31  | 晴間雨 |
| 愛蒙頓 14-26 | 晴   | 台北 26-36  | 多雲  |
| 溫尼辟 13-27 | 陰間雨 | 北京 21-28  | 雷暴  |
| 多倫多 18-26 | 晴   | 上海 24-30  | 雷暴  |
| 渥太華 14-25 | 晴間陰 | 廣州 25-33  | 雷暴  |
| 滿地可 17-26 | 晴間陰 | 新加坡 25-33 | 雷暴  |
| 三藩市 13-19 | 多雲  | 東京 18-26  | 多雲  |
| 洛杉磯 18-29 | 晴   | 悉尼 11-18  | 晴   |
| 紐約 21-28  | 多雲  | 倫敦 17-26  | 晴   |

Figure 1 is a diagram illustrating the distribution of 48 numbers (1-48) across five series (0系, 1系, 2系, 3系, 4系). The numbers are arranged in a grid with rows and columns. The series are separated by vertical lines. The numbers are distributed as follows:

- 0系 (Series 0):** 1, 2, 3, 4, 5, 6, 7, 8, 9, 10, 11, 12
- 1系 (Series 1):** 13, 14, 15, 16, 17, 18, 19, 20, 21, 22, 23, 24
- 2系 (Series 2):** 25, 26, 27, 28, 29, 30, 31, 32, 33, 34, 35, 36
- 3系 (Series 3):** 37, 38, 39, 40, 41, 42, 43, 44, 45, 46, 47, 48
- 4系 (Series 4):** 49, 50, 51, 52, 53, 54, 55, 56, 57, 58, 59, 60
