

Diagram illustrating the distribution of 49 numbers (1 to 49) across five systems (0系, 1系, 2系, 3系, 4系) based on the 360-degree rotation principle. The numbers are arranged in a grid, with each column representing a system and each row representing a specific number. The numbers are color-coded: red for numbers 1-10, blue for numbers 11-20, green for numbers 21-30, yellow for numbers 31-40, and purple for numbers 41-49.

System	1	2	3	4	5	6	7	8	9	10	11	12	13	14	15	16	17	18	19	20	21	22	23	24	25	26	27	28	29	30	31	32	33	34	35	36	37	38	39	40	41	42	43	44	45	46	47	48	49
