

Figure 1 is a diagram showing the distribution of 49 numbers (1 to 49) across 49 columns. The numbers are arranged in a grid with 7 rows and 49 columns. The columns are grouped into five sections, each labeled '0系' (0 Series) at the bottom. The numbers are color-coded: red for numbers 1-10, 16-19, 25-28, 34-37, 43-46, and 48-49; black for numbers 11-15, 20-24, 29-33, 38-42, and 47. The numbers are distributed in a pattern that suggests a random or pseudo-random sequence.
