

Diagram illustrating a sequence of numbers (1 to 49) arranged in a grid, likely representing a data structure or a sequence of operations. The numbers are grouped into five sections, each labeled "0系" (0 Series) at the bottom. The numbers are color-coded: red for odd numbers and black for even numbers. The grid is divided into five vertical columns by blue lines. The numbers are arranged in a way that suggests a specific pattern or sequence, possibly related to a mathematical or cryptographic concept.
