

約翰·Ryan, 48歲, 加拿大稅務局官員

易得流感, 過去十年, 每年冬天都因為感冒不能上班一至兩周, 去年10月, Ryan 告訴 Dr. Bee “去年十月經朋友介紹, 特地到 Pitt Meadows 博士峰園參觀, 並購買 BeeStrong 來服用, 結果去年整個冬天都沒有生病, 此外多年來因帕金森病引起的手抖也大為減輕。”

A middle-aged man with short brown hair and a mustache, wearing a light-colored collared shirt, is holding a bottle of BeeStrong supplement. The bottle is clear with a label that features a bee and the text 'BeeStrong'. He is looking directly at the camera with a slight smile.
