

Diagram illustrating the 48 positions of the 48-hour clock (0 to 47) arranged in a grid. The grid is divided into four sections labeled 0系, 1系, 2系, 3系, and 4系. The positions are numbered 1 through 48, with some numbers appearing in red circles. The grid is organized into four columns (0系, 1系, 2系, 3系) and four rows (4系, 3系, 2系, 1系). The positions are numbered 1 through 48, with some numbers appearing in red circles. The grid is organized into four columns (0系, 1系, 2系, 3系) and four rows (4系, 3系, 2系, 1系).
